Diplôme CordonTec®

A program short in duration, comprehensive in scope, exceptional in industry outcomes

Looking for a smarter, faster way into the world of food and hospitality? Whether you're finishing high school, changing careers or helping your child choose a future-ready pathway, the Diplôme CordonTec® is designed to get you industry-ready, sooner.

Why choose Diplôme CordonTec®?

Study not one, but four fundamental disciplines in just 8 months. With our new, non-accredited program, you'll build a broad, job-ready skillset across:

- CUISINE
- PÂTISSERIE
- BOULANGERIE (BREADMAKING)
- SERVICE

Perfect if you're still discovering where your passion lies or want skills that make you stand out.

Learn your way

Do you learn best while doing, watching, listening, or a combination of all? Enjoy a dynamic mix of hands-on practical classes, theory and expert-led demonstrations, plus flexible online learning. You'll gain real skills, real confidence and real industry insight.

Apply your skills in an 8-week industry placement

With the Diplôme CordonTec®, you will graduate with experience on your CV. With our industry networks, you will undertake an industry placement three days a week over eight weeks. This helps ensure you're ready to step straight into the workforce with confidence, connections and practical know-how. During your placement, you will get a taste of everything, working two weeks in each discipline – cuisine, pâtisserie, boulangerie and service.

Learn with the best

Le Cordon Bleu is a world-renowned culinary arts and hospitality education provider, trusted by industry for over a century. When you graduate, you carry a name employers know and respect.

FOUR DISCIPLINES. EIGHT MONTHS ENDLESS POSSIBILITIES.
