

We surveyed students who studied with us in 2021 to see how they felt about their time at the institute, and we are pleased to share these results below.

of our students agree that our teaching is good quality

of our students were pleased with the admissions process and information provided

of our students found the assessment and feedback of a good standard

“The attention to the students is remarkable. I feel like I can address any situation to the staff and teachers without any concerns.”

98%

of our students are satisfied with the quality of their course

over

96%

of students felt safe in our facilities

“You put in place a lot of measures to keep the students and the staff safe. I am happy to come to school day by day without being afraid that I am exposed to infected people.”

“The academic and administrative support prior to coming back to LCB after lockdown was superb in preparing me for starting at school.”

“The safety and how serious the measures to prevent COVID have been taken has been very outstanding and made me feel safe to be in school.”

90%

of our students were happy with the academic support they received
