

Program of Study:	Wine Studies Course
Institute:	Le Cordon Bleu Dusit Culinary School
Course length:	45 hours
Pre-requisites:	None
Sessions:	Term 2 (Every academic year)
Conditions:	Maximum Number of Participants: 20 Participants must be at least 20 years old

Course Description:

This course has been designed for both wine enthusiasts and culinary professionals looking to improve their wine culture and acquire the keys to appreciate wine with food. Throughout daily meetings, participants will discover many wine regions of the new and old world and taste over sixty different wines. This practice will sharpen their senses of taste and smell and help them develop an advanced discourse on wine.

Course Objectives:

On completion of this course, students will be able to:

1. List the main components of grape and explain wine making process in simple terms
2. Grasp a basic understanding of factors affecting wine quality
3. Follow a systematic approach to wine tasting and describe the organoleptic qualities of a wine
4. Use a wide variety of accurate descriptors regarding aromas and taste.
5. Match wines with food based on guidelines and in-class experiences.
6. Practice correct wine handling and cellaring procedures.
7. Discuss contemporary wine industry issues.

Course outline and tentative dates:

Week	Date & Time	Topics	Study Hours	
			Lecture	Lab
1	Sat, April 21, 2018 9:00 hrs.-12:00 hrs. 13:00 hrs.-16:00 hrs.	Course Introduction Wine Fundamentals Introduction to the wine tasting process Sensory Evaluation on flavors and scents. Wine tasting practice	3 hrs.	3 hrs.
